

## Leading Presidential Candidates Out of Step on Health Care. “Do you support national (single-payer) health care insurance?”

### U.S. General Public

### U.S. Physicians

### Three Leading U.S. Presidential Candidates (Clinton, Obama, McCain)\*

#### Sources:

U.S. General Public: An AP-Yahoo! News survey of more than 1,800 people conducted Dec.14-20, 2007, by Knowledge Networks.

U.S. Physicians: “Support for National Health Insurance among American Physicians: Five Years Later.” A survey of over 2,000 physicians, by A. E. Carroll and R. T. Ackermann, *Annals of Internal Medicine*, April 2008.

U.S. Presidential Candidates: \*Answer inferred from each candidate’s official website. None publically support national (single payer) health insurance. See: <http://www.hillaryclinton.com>
